BUYER ACKNOWLEDGES AND AGREES THAT FAILURE TO NOTIFY GP HARMON IN WRITING OF NONCONFORMING MATERIAL WITHIN FORTY-EIGHT (48) HOURS OF DELIVERY, AND, IF APPLICABLE, FAILURE TO FOLLOW THE CONTAINERIZED CLAIM PROCESS SHALL CONSTITUTE AN UNQUALIFIED ACCEPTANCE OF MATERIAL AND A WAIVER BY BUYER OF ALL CLAIMS WITH RESPECT THERETO.

**7. Payment Terms; Credit; Taxes:** Unless otherwise agreed in a writing signed by Buyer and an Authorized Representative, Buyer shall pay all invoices in accordance with the payment terms set forth on the applicable Sales Order. If GP Harmon suspends performance and withholds Material delivery as permitted above in (A), GP Harmon may sell such Material to a third party and deduct from the proceeds of such sale the purchase price and all reasonable costs resulting from Buyer's default as identified above, including, without limitation, all costs associated with the transportation (including demurrage and other vessel or shipping related charges), storage, and sale of Material. The foregoing rights, which shall include, but not be limited to, specific performance, shall be cumulative and alternative and in addition to any other rights or remedies to which GP Harmon may be entitled including at law or in equity. Buyer's breach of any applicable Law shall constitute cause for immediate termination of any transaction between GP Harmon and Buyer. If any license or consent of any governmental or other authority is required for the acquisition, carriage or use of Material by Buyer, Buyer will obtain the same at its sole expense and provide evidence of the same to GP Harmon upon request. Material will not be sold, supplied or delivered by Buyer directly or indirectly to any party or destination that, at the time of such sale, supply or delivery, is declared an embargoed/restricted party or destination by the government of the United States of America or by the United Nations without first obtaining prior authorization from the competent government authorities as required by applicable Law. The term "government" includes any agency, department, embassy or other government entity or instrumentality; it also includes any company or other entity owned or controlled by the government, in whole or in part. A person does not cease to be a Government Official by purporting to act in a private capacity or by the fact that he or she serves without compensation. Buyer will keep complete and accurate books and records with respect to all transactions between Buyer and GP Harmon, including records of all payments to third parties, in accordance with generally accepted accounting principles. Buyer agrees to promptly notify GP Harmon of any change in the foregoing representation. Buyer further agrees that it will immediately disclose to GP Harmon any relationship to any Government Official of a principal or employees engaged in activity with respect to GP Harmon. Buyer agrees that it will not retain a subcontractor, representative or agent in connection with a transaction between Buyer and GP Harmon without the prior written approval of GP Harmon. Buyer further agrees that it will immediately notify GP Harmon if Buyer or any representative, employee, director, officer, or agent of Buyer becomes subject to any investigation for corruption or any other illicit conduct.

Buyer's exclusive remedy vis-à-vis GP Harmon or any cause of action arising out of any purchase of Material, including for failure to deliver or late delivery, is limited to (i) replacement of the non-conforming Material or (ii) refund to Buyer of the portion of the purchase price attributable to such non-conforming Material. NOTWITHSTANDING ANY OTHER PROVISION OF THESE TERMS, IN NO EVENT SHALL GP HARMON'S CUMULATIVE LIABILITY EXCEED THE PRICE OF MATERIAL SOLD HEREUNDER.

**12. Excused Performance:** The parties will be excused from their respective performances hereunder if performance is prevented or delayed by any acts of God, fire, explosion, flood, unusually severe or abnormal weather, riots or other civil disturbances, wars, acts of terrorism, acts of piracy, actions of governments, compliance with any applicable Law or request of any governmental authority, strikes, lockouts or other labor difficulties, failure of usual sources of raw materials, failure by GP Harmon's supplier of Material, failure of computer systems to operate properly, destruction or loss of electronic records or data, failure of mechanical or chemical function or equipment normally used by GP Harmon for manufacturing, handling or delivering of Material, failure by internally produced intermediates used in manufacture of any of the Material, plant shutdowns, any necessity to not operate, or to reduce operation of, equipment in order to protect the safety of people or to protect the environment, or any other circumstances, whether or not similar in nature, beyond the

reasonable control of the party seeking to be excused from performance (each, a **“Force Majeure Event”**); provided, however, economic conditions shall not be considered a Force Majeure Event, and a Force Majeure Event shall not relieve a party of its payment obligations related to Material that has been delivered. Promptly after a party determines a Force Majeure Event exists, such party will notify the other party of the circumstances and consequences claimed and will use reasonable means to remove the cause(s) in question. During a period of excused performance due to a Force Majeure Event, neither party will be obligated to settle any demands of, or disputes with, laborers; nor will Buyer be excused from paying monies due or complying with GP Harmon’s credit terms. Upon the occurrence of a Force Majeure Event, GP Harmon may apportion any reduced quantity of Material among itself and its customers and affiliates at its sole discretion. Under no circumstances will GP Harmon be obligated to obtain Material for delivery hereunder other than from its designated source(s) of supply, or if none is so designated by GP Harmon, from its usual, customary and/or most recent source(s) of supply.

**13. Confidentiality:** Buyer shall treat as confidential all information supplied by GP Harmon in connection with any Sales Order that is not in the public domain, including, but not limited to: price, commercial terms, Force Majeure allocations, specifications, and other technical, business or sales data, or statements of work (collectively, **“Confidential Information”**). Buyer shall limit use of Confidential Information only to the performance of any Sales Order and disclosure of Confidential Information only to those of its employees necessary for the performance thereof, unless prior written consent has been granted by GP Harmon to permit other use or disclosure. Buyer shall, upon request or upon expiration, termination or cancellation of any Sales Order, promptly return all Confidential Information previously supplied, destroy any and all copies that were reproduced, and send written confirmation to GP Harmon certifying such destruction.

**14. Trademarks:** Except as may be contained in a separate trademark license, the sale of Material (even if accompanied by documents using a trademark or trade name) does not convey a license, express or implied, to use any trademark or trade name and Buyer shall not use a trademark or trade name of GP Harmon or its affiliates, including Georgia-Pacific LLC, in connection with the Material.

**15. Successor and Assigns:** Buyer may not assign any interest in, nor delegate any obligation under these Terms, by operation of Law or otherwise, without GP Harmon’s prior written consent. Any assignment or attempted assignment in contravention of the foregoing shall be null and void, and shall permit GP Harmon, in addition to any other rights available, to terminate all Sales Orders.

**16. Governing Law/Venue for Disputes:** The validity, performance, construction, and effect and all matters arising out of or relating to any Sales Order shall be interpreted in accordance with the Laws of the State of Delaware, USA, without regard to its conflicts of law provisions. The United Nations Convention on Contracts for the International Sale of Goods or any subsequently

enacted treaty or convention shall not apply or govern these Terms or any Sales Order or the performance thereof or any aspect of any dispute arising therefrom. Any action or proceeding between Buyer and GP Harmon relating to these Terms or any Sales Order shall be commenced and maintained exclusively in the state or federal courts in Wilmington, Delaware, and Buyer submits itself unconditionally and irrevocably to the personal jurisdiction of such courts. **19. Beneficiaries:** These Terms are solely for the benefit of GP Harmon and its affiliates, Buyer and the parties specifically indemnified hereunder, and these Terms shall not be deemed to confer upon or give to any other party any right, claim, cause of action or interest herein.

**20. Miscellaneous:** These Terms supersede any terms and conditions of previous dates. The captions and section headings set forth in these Terms are for convenience only and shall not be used in defining or construing any of the terms and conditions herein. Waiver by either party of any breach of the terms and conditions contained herein will not be construed as a waiver of any other or continuing breach. The invalidity or unenforceability of any provision hereunder shall not affect the validity or enforceability of its other provisions. No course of dealing, course of performance, or usage of trade shall be considered in the interpretation or enforcement of these terms. Neither the expiration nor termination of Sales Order shall affect the provisions of these Terms that expressly provide that such provisions will operate after any such expiration or termination or which by necessity must continue to have effect after such expiration or termination, notwithstanding that the clauses themselves do not expressly provide for this.
